# OUR BRANDS

## GSS

**THE MODERN FACE OF SOPHISTICATION**

GSS embodies contemporary style, refined craftsmanship, and superior taste. It's designed for the modern smoker who values distinction and quality.
From its smooth draw to its elegant pack design, GSS stands as a symbol of confidence and class.
Available in multiple formats — King Size, Queen Size, Superslim, Nano, and Soft Pack — GSS is tailored to satisfy diverse markets and preferences.
Each variant is created with precise blending and cutting-edge technology, ensuring consistency, smoothness, and unmistakable sophistication.

## Valencia

**THE ART OF BALANCE**

Valencia represents harmony, heritage, and luxury. It captures the essence of fine tobacco craftsmanship — a blend that is smooth, well-balanced, and distinctly refined.
Every Valencia cigarette is a result of careful leaf selection, slow aging, and expert blending. The result is a product that speaks the language of quality and elegance.
From Valencia King Size to Valencia Superslim, each format delivers a timeless experience — combining aroma, taste, and design with unparalleled finesse.
